SPECIAL ANNOUNCEMENTS:

November 1, 2006 PROGRAM: **Paul Reinders** will present a potpourri of information related to the following: requirements of and changes to the Sport Pilot PTS, border crossing information for Canada, building tips, X/C tips, with the usual 'Q & A' period for all of the above and other aviation subjects. Input by any qualified member of the audience will be encouraged. **(Anyone with a Light Sport eligible aircraft is encouraged to bring their a/c to the meeting for display.)**

ELECTION OF 2007 OFFICERS:

Positions for president, treasurer and several board members must be filled for the 2007/2008 term. **David Heal**, nominating committee chairman, will present the slate of candidates and will be soliciting additional nominations from the floor before closing nomination.

MESSAGE FROM THE FRONT DESK...

NOVEMBER, 2006

Bob Gutteridge, President

It's November and that means **elections**! Positions for president, treasurer and several board members must be filled for the 2007/2008 term. **David Heal**, nominating committee chairman, will present the slate of candidates and will be soliciting additional nominations from the floor before closing nomination.

Rolf Unternaehrer's RV-6 is coming together nicely. In spite of some new landing light re-wiring, and a busy period at work, progress is being made.

Four intrepid flyers and their flying machines made the flight to Rohnerville on Saturday, October 21, for our **124 Fly-day. Chapter 1418** held their first ever fly-in featuring a very nice BBQ followed by a spot landing contest. Congratulations go to **Jerry Rench** for taking second place, and to all the folks at 1418 for a great fly-in.

Unfortunately there were a lot of empty seats making the flight. **Eric Peterson, Jerry Rench, Tim Peterson** and **Bob Gutteridge** flew their airplanes, each by himself. Thank goodness for radios so we had someone to talk to. This was particularly unfortunate as the flight up the 101 corridor was simply spectacular. The fall colors were out in full grandeur, visibility was very good and the air was smooth.

November **Board meeting** will be **Wednesday, Nov. 1st at 6:30.**

Chart sources:

Dwayne Green has researched different ways at various sources to price charts and shipping for the best deal. (Sometimes the best chart price is not the best deal when shipping is totaled in. Work up an order that includes shipping and if you don't like the total, go find another source.)

Minutes: Minutes from the prior General Membership Meeting were approved.

Treasurer's Report: In John Whitehouse's absence, Bob Gutteridge reported on activity this year to date, and on finances and parking fee collections. The report was approved.

Announcements:

C. J. Stevens reported on the lease negotiation activity to date. C. J. also reported on his activities at the Reno air Races. He took a 2nd place in the Silver cup races behind Dan Vance.

Bob Gutteridge reported on the Phase I Environmental activity at the Hamilton site.

Dave Lynch reported that the Young Eagles program that had been scheduled for September 30 had to be cancelled because of bad weather. We will be rescheduling the date in the Spring of 2007.

Thanks were given to Dale Whitman and his staff for another excellent dinner.

Dave Heal, our Nominating Committee Chairman, announced that Joe Lacchia has accepted a nomination for the Presidency, and that John Whitehouse has volunteered to serve another term as Treasurer. Dave continues to look for members willing to fill the three Board vacancies and the vacancy that will be left for Secretary when Joe is elected President.

Chocks: Donna Turrentine distributed a set of honorary chocks to Eric Petersen. Congratulations to Eric for finishing and flying his project.

CAFÉ – Brien Seeley reported on the NASA /PAV activity: the rules are complete and can be reviewed on the CAFÉ web site.

Bob Gutteridge announced that PCAM will be conducting seminars on October 12th, 19th and 26th covering various aspects of aircraft building. Bob also announced that the Copper State fly-in will be on October 26th through the 29th.

Mike Heintz announced that there will be a Corvair engine installation demonstration at his facility on October 7th. This is also Chapter 124 day with a fly out to the event at Cloverdale Airport.

A second Chapter 124 day is planned for the EAA Chapter 1418 fly-in at Fortuna (FOT) on October 21st.

General Membership Meeting closed at 8:25 pm.

Evening Program: Eric Prestin gave a slide presentation on his trip down the Mississippi River in his floatplane.

Respectfully Submitted,
Joe Lacchia, Secretary
