MESSAGE FROM THE FRONT DESK...

AUGUST, 2006

Bob Gutteridge, President

I know I said there would not be an August Pres message. Please forgive me, I lied. It will, however, be short.

*Bill Massey has completed his Zenair 601; sign off was completed on Monday, July 17.
Congratulations Bill!*

BBQ going forward. Dale Wittman has been doing an outstanding job at the grill making sure we had not only hamburgers, but also sausages, chicken and sautéed unions. The menu has been great. All this takes time, his time, beginning at least an hour or more in advance of your arrival. Lately Dale has been saddled with clean up as well; he does not feel this is fair. I agree and I am sure you do also. So if we are to continue to enjoy the BBQ and want it to continue, some effort will be required on our part. At **7:15 a clean up call** will be made. This means all hands on deck to: clear the tables, put all the trash into the containers, wash all the pots, pans and utensils, and stack the tables and benches. If we get a lot of help, it will not take long and everyone will be able to join the start of the meeting. Thanks for helping.

Now it is off to Oshkosh! My plan is to be back in town for the meeting. However, the weather guessers may not be on board with that. If I have not returned, carry on. Someone else will be making the 7:15 clean up call.

The July **Board meeting** will be **Wednesday, Aug. 2nd at 6:30.**
